# Graphology Report

[www.ifsr.in](http://www.ifsr.in)

A handwriting sample of **Miss xyz**, was referred for a detailed graphological analysis. The key findings of the analysis are as follow:

## About the person

Your handwriting sample revealed that you are an intelligent, independent, self-reliant, an individual with a high degree of self-control. You seem to be a very organized person (especially when it comes to work) who is likely to be a very good organizer, having good planning abilities and effective time management skills.

You are likely to be a happy, secure, calm, confident, hopeful and optimistic person. You are likely to be an ambitious person, with a strong materialistic character who is eager for worldly benefits. At times quite pussy and self-centred. You appear to show vitality, energy, forcefulness and a live for today mentality. You may be noisy and can be domineering in your dealings and interactions with others. You may also be clumsy. Your persuasion skills seem to be good. You enjoy outdoor activities.

You are an independent, high minded individual who may be quite protective and may have strong nesting needs. You appear to be at ease with your true self and is likely to be largely aware and accepting of both your positive and not so positive characteristics. You seem to be happy.

Your handwriting further suggests that you are a fairly conventional person having a healthy balance between head and heart. You seem to be a careful, conservative and conscientious person having a balance sense of value and modesty.

### **Basic attitude**

You seem to have an open and straight forward social attitude. You are a goal-oriented and a persistent person, who would like to get a task done and then quickly move on to the next task.

### **Willingness to learn**

Likely to be a responsive, receptive, easy going, adaptable, person who shows willingness to learn new things.

### **Integrity**

Likely to be a reliable person.

### **Drive to achieve**

You are a very hard working person who aspires to move upwards to a brighter and a better future. You appear to be an ambitious and enthusiastic person having a materialistic character, who is eager for worldly benefits and often expects appreciation, recognition and awards. You are likely to show a strong need for recognition, status, importance and self-esteem.

### **Creativity and Innovativeness**

Your creative abilities seem to be fairly average. However, your planning and organizational abilities are far better than her innovative abilities. You may be an idealistic day dreamer.

### **Execution Capabilities**

When it comes to work, you are a practical, objective, self-disciplined person who likes to get on with the job as quickly as possible and enjoys hands-on-experience. You appear to be someone who dislikes wasting time and energy and is always eager to begin a task assigned to you without delay. As a result, you may at times appear quite abrupt in your behaviour. However, you appear to be a very hard working, consistent, responsible and a persistent person who is well balanced and adopts a practical approach in dealing with wide range of situations and people.

### **Leadership qualities and people management**

You are a good leader. You appear to be a friendly, natural kind person who is perhaps easily led by others. In public, you do not seem to put on an act. You seem to be a social, well-mannered individual having good social skills and is likely to be a conformist. You appear to have an open and straight-forward social attitude and is likely to be quite reasonable in your dealings with people.

### **Decision Making**

You appear to be an independent, self-reliant, thoughtful, judicious person having a balanced personality who is capable of dealing with a wide variety of situations and people and possesses a high degree of control. You seem to have a good business sense and is likely to give considerable thought to all possible available pieces of information before arriving at a decision. When faced with a problem at hand, you tend to come up with more practical solutions. You are likely to be judicious in making your decisions. However, strong instincts and emotional responses can override more considered thought.

### **Eye for Detail**

Your observation skills seem to be on an average.

### **Apt Career Choice**

As far as your handwriting suggests, you can do good at jobs involving research & statistical analysis, ensuring supply chain management & logistics.
